

# SOLO 4K

## Not Just 4K, It's Vu+ 4K

### Mini TV Inside

Vivid Streaming Videos on Front 3.5" LCD

### Channel Changed When You Blink

The Extreme Channel Zapping Speed Thanks to Powerful Hardware  
(10K DMIPS CPU, 2GB RAM and 4GB Flash memory)

### Playable Ever

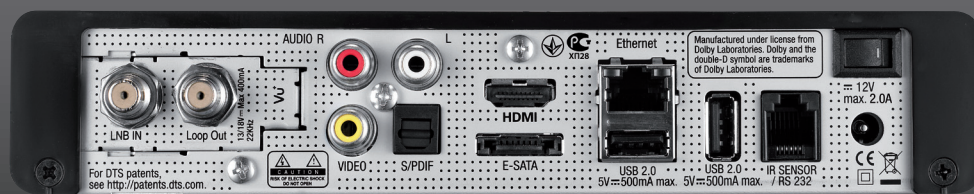

The cutting-edge technology of Dual FBC Tuner\* enables you to enjoy with variety channels up to 8 DVB-S2 signals.

### Cannot Be Easier

Provides the easiest way of detachable HDD you ever had for your own content.

\* FBC Tuner : Full Band Capture Tuner.

One Full-Band Capture Digital Tuner can service any number of demodulators.  
Each demodulator can access any frequency without restriction or relationship to other channels.
